Listening

Task 1. You will hear an interview with a boy called Dylan, who went to a summer camp in Spain. Read the questions. For each question, choose the correct answer (A, B or C).

- 1) How long did Dylan stay at the summer camp in Spain?**
A) a couple of months
B) a month
C) a week
- 2) Why did Dylan enjoy his summer camps in England?**
A) because they were fun
B) because he could learn languages there
C) because all his friends went to camps
- 3) Why did Dylan want to go to a summer camp in Spain?**
A) to have a completely new experience
B) to meet people from other cultures
C) to improve his language skills
- 4) Why did Dylan have to speak Spanish as soon as he arrived at the summer camp?**
A) because it was a rule of the summer camp
B) because he wanted to learn fast
C) because many students spoke languages other than English
- 5) How did Dylan feel during the first week of the summer camp?**
A) worried he wasn't learning fast enough
B) tired from all the activities he had to do
C) confident he was one of the best students
- 6) In Dylan's language lessons at the camp, he disliked ...**
A) having to memorise so many words each day
B) making mistakes in front of his classmates
C) spending time translating long texts.

Reading

Task 2. Read the text.

Lizzie Carr is based in London and is helping the environment by cleaning up plastic whenever she goes paddleboarding. (7) _____

She first saw someone paddleboarding on a beach near her dad's home in the Scilly Isles during a family visit. When Lizzie returned to London, she didn't realise you could paddleboard in a city. (8) _____

Soon she was regularly paddleboarding around there. Though it's a beautiful location, Lizzie couldn't help

but notice the amount of plastic floating everywhere. (9) _____

That's when Lizzie felt she had to do something about this problem. In 2016, she began her #PlasticPatrol campaign by paddleboarding over 22 days along 643 kilometres of England's inland waterways, collecting and geotagging any plastic she saw along the way.

(10) _____ Because of Lizzie, thousands of people are now helping to clean up the Earth.

2. a) Four sentences have been removed from the text. Choose the correct sentence (A–F) to fill each gap (7-10). There are TWO extra sentences which you do not need to use.

- A) Unfortunately, the rubbish floating in rivers and canals usually ended up in the ocean.
- B) That was until she heard about Paddington Basin, which is also known as 'Little Venice'.
- C) Despite this, she wanted to make people aware of the problem of microplastics.
- D) Now over 65 countries are taking part in it to help protect the environment.
- E) This is a type of surfing that first originated thousands of years ago in Hawaii.
- F) She was even more shocked to see birds using rubbish to build their nests.

2. b) Read the text again and choose True (T), False (F) or Not Stated (NS).

11) Lizzie Carr started paddleboarding in London before she ever tried it near the sea.

T / F / NS

12) Lizzie decided to begin the #PlasticPatrol campaign after she noticed plastic pollution while paddleboarding.

T / F / NS

13) Lizzie Carr receives financial support from the government for her environmental work.

T / F / NS

Writing

Task 5. You have received an email message from your English-speaking friend Daniel. Write an email (80-100 words) to answer his questions. Remember the rules of email writing.

From: Daniel@Englishmail.uk
To: Lovetechnolyceum@Russianmail.ru
Subject: Technology
... I also wonder how technology will change in the future. Maybe schools will have more virtual reality lessons or robots that help students study... <i>Have you ever learned something new using the Internet? What? Do you prefer reading books on a computer/tablet or on paper? Why? Do you think children use too much technology nowadays? Why?</i>

[illegible]
