1. When are the military parades on Poklonnaya Gora held?
2. What areas does the Museum of the Great Patriotic War consist of?
3. What event from the past makes the site of the park a special place?
4. What memorials on Poklonnaya Gora tell us about the military events of the 19th century?
5. What activities are available to young visitors of Victory Park?
6. Where can you see a list of the people who fought in the Great Patriotic War?
7. How to get a good idea of Victory Park in the shortest possible time?

A. Victory Park is a huge open-air museum in a big and busy city. It is located on Poklonnaya Gora. The place has a remarkable history — historians say it was exactly the spot where Napoleon was standing and waiting for Russians to bring him the symbolic key of the city. It did not happen. And it was the turning point in the war of 1812 — the French army had to retreat and was completely defeated.

B. As the name Victory Park suggests, most memorials and exhibitions were created to honour the people who gave their lives for the freedom of the country. The Museum of the Great Patriotic War is one of such places. When you enter it, you get into the Hall of Commanders. In the centre of the museum there is the Hall of Glory. Below it, there is the Hall of Remembrance and Sorrow. There are also upper floors that display exhibits about the war.

C. The museum of the Great Patriotic War was opened to the public on May 9, 1995. Among the official exhibits, there are personal documents and personal belongings of the soldiers, photos and letters. The museum has got an electronic memory book, with the purpose of registering the name of every soldier and tracing their fate. The book is far from being completed — new entries appear in it every month.

D. Poklonnaya Gora is a place that reminds us of the most important victories of the country. The Arc de Triumph, which is in the middle of Kutuzovsky Avenue, beside Victory Park, was constructed to commemorate the triumph of the Russian army over the French army. In 1812, the French army, headed by Napoleon, tried to conquer the country but was defeated. The Museum-Panorama *The Battle of Borodino* features the powerful scenes of the most important battle of that war.

E. The territory of the park is really huge and about 800000 people visit it every year. For first-time visitors, it is recommended to take a sightseeing tour. The mini-train will take you round the park. The whole tour lasts for about twenty minutes. During the trip you will listen to a brief story of the Park and will become aware of the main landmarks which should be seen. Alternatively, you can use a map - the navigation system in the park is very clear.

F. There are a lot of samples of heavy weapons in Victory Park. Tanks, ships and planes are displayed on the territory and visitors can go up to them to have a close look. Children are usually the most impressed. However, along with studying the themed exhibits, children and teenagers have many other opportunities to enjoy their time in the park. There are two large playgrounds, and spacious alleys for riding bikes, roller skating and skateboarding. There are also different art and drama studios which children can attend for an outing or on a regular basis.
